Ladies and gentlemen,
dear friends of snow sports,

Once again, we need your help to organize a successful Congress in St. Anton in 2011.
Some member countries have not yet furnished the required data, i.e.

- **the prospective number of participants (see registration form) including the number of rooms and type of accommodation.**
- **the activities sheet with special requests and suggestions.**

Also, many member countries have failed to respond to the planned Ambassadors Initiative with information on

- **the name of your national ambassador; appointment / place / date**

as per separate letter.

Note: If you need registration forms, previous correspondance etc., please request them from the office or download them from our website www.interski.org.

- **The deadlines for the 2010 Congress are attached to this letter.**

More information on the Congress

The congress folder (in German, English and French) has been sent to all member countries at the end of 2009.
It is also available on www.interski.org or on a DVD that can be ordered from the office.
