

ISIA Technical Event 2025

3 Zinnen Dolomites * Südtirol * Italy

01.04. - 03.04.2025

Invitation:

The quality of the Professional Snowsports Instructors is the foundation of ISIA. ISIA is organizing the technical event to boost the Association development and to foster the quality control. The event will refer to the current ISIA Quality Standard and the requests discussed at the AD 2024 in Livigno.

Topics:

- **ISIA Safety Test ***
- **ISIA Technical Test ***
- **Technical Commission ***
 - Report of the Inspections
 - Workbook for the Inspectors
 - ISIA Quality Standard
- **Competences in examinations**
- **Tools for quality assesment**

* The ISIA TC will hold an online meeting as preliminary briefing for the field event. The experts registered with the ISIA TC will be invited to the online meeting in due time.
